The heart of our juicer

Our Original System® ensures no juice comes into contact with the peel thus preventing the essential oils and acid it contains from contaminating it.

ASP®
Antibacterial
nanotechnology

Antibacterial nanotechnology

The ASP® system acts like a silver ion shield, preventing bacteria from spreading inside the juicer.

Available in 4 colours

Elegance at first sight.

Avant-garde lines and finishes and the use of robust, high-quality materials combine to perfection with its four colours.

The new Black colour adds a sophisticated, elegant look to any space.
