Solution ?

NEW BASE!

Fully integrated into the base :

- Increases stability
- Sturdier look

NEW BASE

New

Inclined machine for an optimal juice evacuation :

- Less juice in the drip tray
- Less dripping
- Less juices mix in the bowl

NEW DRIP TRAY

New

Large capacity (x2):

- Clean working surface

Stainless steel grid :

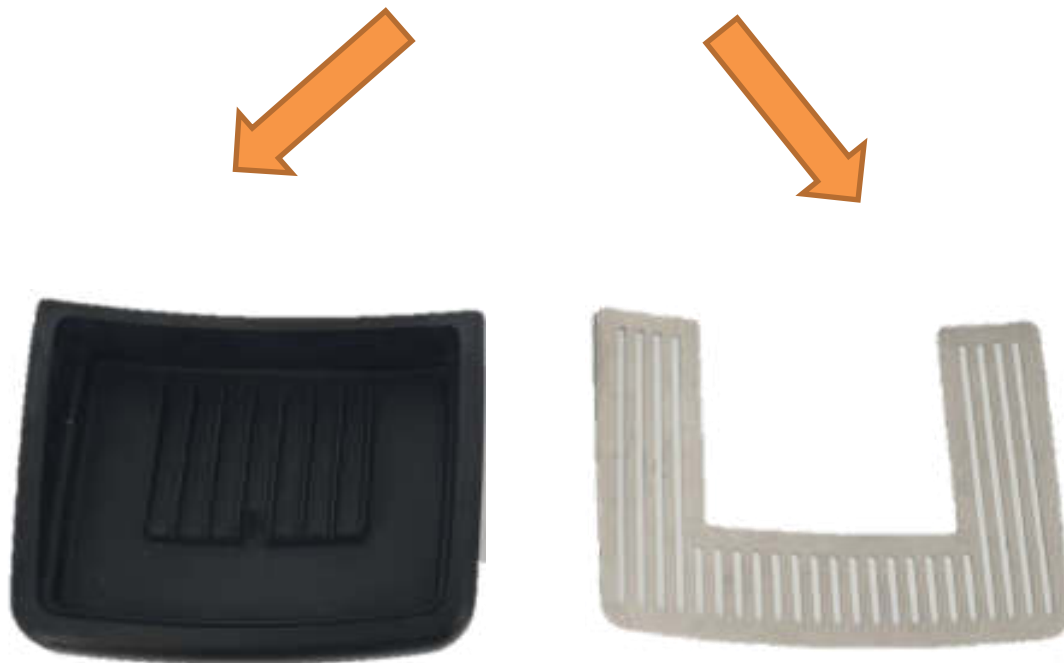

- Keep the « splashing area » clean

Attached into the base :

- Does not get lost

Removable :

- Easy cleaning

NEW SPOUT

New

Specifically designed for Self-Service :

- Close to the glass
- Reduces splashing

NEW SPOUT

Cross shaped design :

- Guides better fluid into the glass
- No splashing around the glass
