

Animo has reinvented the Bean-to-Cup process. The result: the OptiBean NG. A machine with taste. Distinctive design, reliable technology. For the best coffee you could wish to serve. Every cup is freshly made and topped with a delicious crema. The basis for many kinds of coffee specialities. The OptiBean NG is very simple to use and easy to maintain.

BENEFITS

DRINK OPTIONS

- + The drink menu has 12 easily programmed drink buttons, so the choice is always yours.
- + Strength is easily adjustable to suit personal preferences, because tastes differ.
- + OptiBean has a separate tap for hot water, so tea always tastes like it should.

OB 2 (XL) NG

OB 3 (XL) NG
