

## Lista ricambi / Spare parts list

| Parte n°<br>Part n° | Codice / Code     | Descrizione / Description                                 |
|---------------------|-------------------|-----------------------------------------------------------|
| 01                  | ***               | FRONTALINO / <i>Front cover</i>                           |
| 16                  | 020SCH0031        | SCHEDA DI CONTROLLO / <i>Control board</i>                |
| 53                  | 70DAD015          | DADO GHIERA / <i>Locking ring nut</i>                     |
| 54                  | 040RAC00025       | RIDUZIONE CILINDRICA / <i>Cilindric reduction</i>         |
| 64                  | 020RES13240G0L037 | RESISTENZA / <i>Resistor</i>                              |
| 65                  | ***               | GUARNIZIONE PORTA / <i>Door gasket</i>                    |
| 74                  | 020SON0001        | SONDA TEMPERATURA / <i>Temperature probe</i>              |
| 79                  | 020MOR0003        | MORSETTIERA / <i>Terminal block</i>                       |
| 89                  | 85GRI00040        | SUPPORTO TEGLIE SX / <i>Left trays support</i>            |
| 90                  | 85GRI00039        | SUPPORTO TEGLIE DX / <i>Right trays support</i>           |
| 91                  | 50PIEPL001        | PIEDINO IN PLASTICA / <i>Plastic feet</i>                 |
| 98                  | 020MOR0001        | MORSETTO EQUIPOTENZIALE / <i>Equipotential socket</i>     |
| 106                 | 30TUBP80006       | TUBO PE / <i>PE pipe</i>                                  |
| 107                 | 020ELE0010        | ELETTRORVALVOLA / <i>Solenoid valve</i>                   |
| 108                 | 040RAC00001       | RACCORDO A GOMITO / <i>Elbow fitting</i>                  |
| 118                 | 10PROA20SAA033    | CERNIERA SUPERIORE / <i>Top hinge</i>                     |
| 119                 | 10PIAA20SDX101    | CERNIERA INFERIORE DX / <i>Right bottom hinge</i>         |
| 130                 | ***               | CAVO ALIMENTAZIONE / <i>Power cord</i>                    |
| 134                 | 10VAS033          | TEGLIA LIEVITATORE / <i>Proofer tray</i>                  |
| 152                 | ***               | PORTA DX / <i>Right door</i>                              |
| 153                 | ***               | PORTA SX / <i>Left door</i>                               |
| 154                 | 60MGNTR001        | MAGNETE PORTA / <i>Door magnet</i>                        |
| 158                 | 10FIAA08SDX257    | PANNELLO DX (removibile) / <i>Right panel (removable)</i> |
| 162                 | 10PIAA20SSX102    | CERNIERA INFERIORE SX / <i>Left bottom hinge</i>          |
| 193                 | 040DIS00002       | DISTANZIALE SCHEDA / <i>Board spacer</i>                  |
| 295                 | 30TUBC10SAA084    | TUBO INGRESSO ACQUA / <i>Water inlet pipe</i>             |
| 396                 | 70RON014          | RONDELLA IN PLASTICA / <i>Plastic spacer</i>              |
